

Packing up Field 1 (Large field for Under 12s to All Ages)

After the last scheduled game on Field 1 (the field closest to Best Road on the above diagram). All the equipment is to be returned to the storeroom. The Ladder is placed next to the storeroom door. The chairs are placed on top of the other chairs. The bin is to be placed last back into the storage room. The next section provides the details on how to pack up the equipment.

Goal Nets

	Instructions	Example
1	Pull out the pegs from the back and side of the net. There is a tool in the bucket to help with pull out the peg	

2	Next, remove the net from the goal frame, by twisting on the clips	
2a	Turn 90 degrees and pull out from the gap. Complete for the rest of the goal frame	
3	Once the net has been taken off the goal frame. Lay out the net straight out on the group	

3a	Fold the net in half (length ways)	
3b	The roll the net from both ends loosely together	
3c	It should come together in the middle	

3d	Then fold the net in the half. Then place the net into the bottom of the bin.	
4	Nets are placed on the bottom of the bin. The pegs and hammer are placed into the bucket. Flags and benches are then placed after everything else (picture to the right)	
5	Ladder to be returned to the right side of the storage room, beside the door.	

6	The bin is then place into the storage room have all of the other equipment from the U5-7, U8, U9-11 have been place in first.

Corner and Halfway Flags

	Instructions	Example
1	Collect the 6 corner and highway flags from the ground as well as the fishing net from the behind the referee chairs	
2	The flags are then place into the bin after all of the equipment have been placed into the bin.	

Players / Technical Area & Referee Seats

	Instructions	Example
1	Collect the 2 player benches and the 3 referee seats on the player and referee areas.	
2	Fold the benches, by unlocking the clip on the underside of the bench. Unlocking the legs and then fold the bench in half.	
3	The folded benches are placed into the bench with the rest of the equipment
