

Setting up Midi 1 (Small Field for Under 8)

The equipment to set up Midi 1 (small field) is located in the storage room. This is the field closest to the canteen (above diagram). The equipment required are the 2 small 1x1 metre goals, 4 pegs, hammer and 4 flags with the mini roos flags. The next section goes through the field setup.

Goal

	Instructions	Example
1	The goals are placed on the right-hand side of the storage room when you walk in through the doors	

<p>2</p>	<p>There are 2 bottom frame pieces for the back of the goals on the floor next to the goals (Picture to the right shows the pieces)</p>	
<p>3</p>	<p>Square pegs and hammer are stored in a bucket in the storage room as such. NOTE: square pegs and hammer is used for U9-11 goals as well and may be with the team setting up that field</p>	
<p>4</p>	<p>Take the goal frame out of the storage room.</p>	

5	Turn the side post on its right angle	
6	Attached the back bottom frame piece onto the goal.	
6a	Unhook the clip on the bottom end corner. Place the bottom frame piece into the slot and push the clip piece through the holes.	

6b	Clip the clip piece back into place	 A close-up photograph showing a person's hands attaching a metal clip to a white frame piece. The clip is being pushed into a slot on the frame. The background is green grass.
7	Once the back bottom frame piece has been attached. Fix the net onto the bottom end frame piece, by unstrapping the clip. Then wrap the strap around the frame with the net in between the frame and clip.	 A close-up photograph showing a person's hands attaching a white net strap to a white frame piece. The strap is being wrapped around the frame, and the net is being positioned between the frame and a clip.
8	The goals should be assembled as such	 A photograph showing the fully assembled soccer goal on a grassy field. The goal is white and has a white net attached. The background shows a paved area and trees under a blue sky.

9	Move the goals on the goal line, in between the goal box and the in the middle of the goal line	
10	Peg down the goals with the square pegs (3 is required), 1 on each side and the 1 on the back	

Corner Flags

	Instructions	Example
1	Corner flags can be found in the drum on the left side of the storage room.	

2

Place the 4 corner flags at each one of the corners of the field
